The R&A

Welcome to the Special Olympics GB 2017 National Summer Games in Sheffield!

We are thrilled to be back in Sheffield – the City hosted the Games in 1993 – and on behalf of Special Olympics GB, I would like to officially and warmly welcome you to the Games.

This year's Special Olympics GB National Summer Games – which are held every four years – will be the biggest disability sports event in the country in 2017, with 2,600 athletes with intellectual disabilities from across England, Scotland and Wales taking part in 20 different sports.

Competing at a National Games provides our athletes with a platform where they can strive to achieve personal bests and to demonstrate their abilities to the community but it also enables them to build their self-confidence and self-esteem, travel and socialise with other competitors and make new friends.

I want to thank you for giving up your time and energy to prepare, train and ready your athletes to compete at these Games and we are working hard to ensure that they will remember the experience forever. To ensure this and to deliver a first class Games for you, we have recruited a further 1200 volunteers to help us in creating a backdrop of energy and enthusiasm for the event from start to finish.

All that remains is for me to wish your delegation a most memorable Games and I look forward to seeing you in Sheffield this August.

With warmest best wishes

Karen Wallin

Limited food will be available from the coffee bar at All Saints Sports Centre and it is suggested that spectators bring a picnic lunch although there are some local shops nearby.

Car Parking

Delegations will be picked up from the accommodation site and dropped off at All Saints Sports Centre. Car parking is available for any delegation members who are making their own way to the venue (subject to availability).

Changing Facilities and Toilets

Athlete changing rooms and toilets are located on the right hand side, after the main entrance to the competition halls.

Field of Play

Games will be played on a standard sized court. Regulation 10ft height netball posts will be used as well as regulation size 5 netballs, supplied by organisers for use during matches only. Practice balls will also be provided for warm ups.

Seating

Seating will be available at All Saints Sports Centre in the form of chairs placed around the edges of the courts.

Sports Information Desk

The venue will have a Sports Information Desk close to the entrance. The purpose of the Sports Information Desk is to act as the main point of contact for Head Coaches with the Competition Management Team and to provide accurate and timely information about the competition to each delegation.

The Sports Information Desk will open at least half an hour prior to the start of competition and remain in operation until half an hour after the conclusion of the day's competition.

On arrival at the venue, the Head Coach must report to the Sports Information Desk to pick up information updates. They must also inform the Sports Information Desk if there are any athletes missing from those listed on the competition schedule.

Members of the delegation wanting to contact the Competition Management Team may also do so via the Sports Information Desk.

The Sports Information Desk will:

- Distribute and post results
- Show bulletins
- Provide competition schedules and updates
- Have available copies of:
 - [Protest Forms](#)

 - [Accident, Incident, Ill Health, Hazzard Report Forms](#)
 - [Safeguarding and Welfare Report Forms](#)
 - Any other sports specific information

Sports Rules

General Sports Rules

The competition will run in accordance with [Article 1 of the Special Olympics Sports Rules](#), the current [Special Olympics Netball Sports Rules](#) as well as the [International Netball Federation Official Netball Rules 2011](#).

Games Specific Rules

Please see the [2017 NSG Netball Rules Modifications](#) which are to be used in conjunction with the [International Netball Federation Official Netball Rules 2011](#).

In case of injury, 2 minutes of injury time will be allocated. If the injured player is unable to resume after that time a substitute may take the court (see Rules for clarification).

Although the game shall consist of four (4) quarters of eight (8) minutes each, the eight (8) minute quarters are the maximum and can be subject to change in accordance with rule 2.2.

Games will be umpired by qualified umpires. At all times, the umpire's decision is final and members of a delegation should respect officials and opponents in an appropriate manner.

Points

Points will be awarded as follows:

- 5 points for a win
- 3 points for a draw
- 1 point if losing team scores over 50% of the winners score

Final placing will be decided by points or goal difference if scores are tied.

Divisioning

All teams will be placed in one division and no classification matches will be played.

Maximum Effort Rule

The [Maximum Effort Rule](#) will not apply for this competition as there is only one round of competition and one division.

Protest Protocol

Only the Head of Delegation or Head Coach or a designated Coach registered as such (in the absence of the Head Coach) can file a protest and must do so abiding by the rules of each sport. The Head of Delegation/Head Coach must complete a [Protest Form](#) in order for the Sport Specific Jury to consider the protest.

There are three main guidelines for what is considered as a situation of protest:

1. Misinterpretation of sport rules

2. Failure of the Referee or Judge to apply the correct rule at a given situation
3. Failure to impose the correct penalty at a given violation

Any protest involving the judgment of the Referee or Judge will not be taken under consideration. Divisioning and meaningful involvement decisions can also not be protested.

A protest must cite each violation by stating the specific number noted in the rules and a clear description of why the Head of Delegation/Head Coach feels that the rule has not been followed.

Protests must be put in writing on the appropriate [Protest Form](#) (fully completed) and submitted within **30 minutes** of the conclusion of the event and before any awards are presented. Copies of [Protest Forms](#) will be available from the Sports Information Desk.

Protests must be accompanied by a **£20.00** deposit, which will be refunded if the protest is upheld.

Video recordings will not be acceptable as evidence to support a protest.

There is no right of appeal for a Sports Specific Jury's decision, however the Games Rules Jury will review all protests at the end of competition each day and their decision shall be final.

Competition Schedule

A detailed schedule of the Netball competition will be available on the Games website (www.sheffield2017.org.uk/) in July 2017.

Awards

Awards Staging

The awards staging area is designated as a holding area for athletes prior to their awards ceremony in order to ensure that all athletes are present for their awards ceremony.

At the end of the competition, all teams should report to the awards staging area.

Coaches are responsible for ensuring that athletes arrive at the awards staging area wearing appropriate attire e.g. fully dressed in a delegation tracksuit.

Athletes may not leave the awards staging area without permission from the Awards Coordinator. After an awards ceremony, a coach from the relevant delegation must collect their athletes. The specific details of this process will be outlined at the Head Coach meeting.

Coaches, family members and spectators are not allowed within the awards staging area.

Awards Ceremonies

All awards ceremonies will take place in accordance with [Article 1 of the Special Olympics Sports Rules \(Section K\)](#), giving due respect to the athletes and highlighting their achievements.

For the main team competition, medals will be presented to first, second and third place finishers, while ribbons will be awarded to fourth and fifth place finishers. Teams who are disqualified (for reasons other than unsportsmanlike behaviour or violations of

the divisioning requirements of the sports rules) shall be presented with a participation ribbon.

In the case of a tie, each team that has achieved the same result shall receive the award for the highest place.

For the main team competition, the award ceremony will be held on the main court on Friday 11 August between 4.00pm-5.00pm.

For the Team Challenge Event, certificates will be presented to all participants on the field of play immediately after the event finishes (8.45pm-9.00pm on Thursday 10 August).

Closing Ceremony

There will not be a central Games Closing Ceremony. Instead each sport/venue will have its own closing ceremony. For Basketball, a venue closing ceremony will be held following the final awards ceremony. This will be held on the main court between 5.00pm-5.30pm.

Codes of Conduct

Athletes/Unified Partners Code of Conduct

All athletes/unified partners are expected to adhere to the [Special Olympics GB Athletes/Unified Partners Code of Conduct](#) at all times during the Games.

Any disciplinary issues arising concerning athletes/unified partners will be dealt with in accordance with Special Olympics GB rules and (where relevant) Special Olympics GB's Disciplinary Procedures.

Volunteers Code of Conduct

All members of the delegation who are not athletes/unified partners are bound by the Special Olympics GB [Staff & Volunteers Code of Conduct](#) at all times during the Games.

Any disciplinary issues arising concerning members of the delegations who are not athletes/unified partners will be dealt with in accordance with Special Olympics GB rules and (where relevant) Special Olympics GB's Disciplinary Procedures.

Medical

It is the Head Coaches responsibility to ensure that **all** individuals attending the competition as part of their sports squad complete either an [Athletes/Unified Partners Health Information Form](#) or a [Volunteers Health Information Form](#) (whichever is

relevant). The Head Coach must keep a copy of this on them at all times during the Games because the Health Information Forms must be available should an athlete or delegation volunteer require medical treatment while at the Games.

Athletes with Atlanto-Axial Instability

As covered on the first page of the [Athletes/Unified Partners Health Information Form](#), Special Olympics GB no longer requires an athlete to have an X-Ray to check for Atlanto-Axial Instability. Instead any athlete who shows any signs of neurological symptoms should have a full neurological examination by a competent doctor, which may or may not include an X-Ray at the discretion of the doctor.

The Special Olympics International Medical Advisory Committee has reviewed the available evidence and concluded that the X-Ray alone may have false positives and false negatives (meaning some athletes may be incorrectly identified as not at risk, and miss those who may be at risk). Therefore, it is neurological symptoms that count and that these should be investigated in all athletes rather than in some athletes with specific diagnoses and for only some sports.

General First Aid

First Aid Posts will be available at all venues during the hours of competition.

These will be manned by a doctor/nurse/physiotherapist on a rota.

First Aid Posts will triage, treat or refer to further services.

Medical Centre

The Games Medical Centre will be located at the delegation accommodation (Endcliffe). Medical Volunteers consisting of doctors, nurses and physiotherapists will be available. Medical Centre Volunteer will triage, treat or refer to Sheffield Hospitals or external GP services.

Triage Clinics run by General Practitioners will be held at the following times:

Monday 7 August	6.00pm - 7.00pm
Tuesday 8 to Friday 11 August	9.00am - 10.00am
Wednesday 9 to Friday 11 August	6.00pm - 7.00pm

Physiotherapy Support

This will be available at selected venues as part of the first aid team and will also be available at the delegation accommodation (Endcliffe).

Emergency Procedures

The Head of Delegation/Head Coach should contact Dr Janet Chelliah (**07377475653**) if an athlete needs to be seen between 8.30am and 9.00am, or 10.00am and 6.00pm, when there is no triage clinic. Dr Chelliah will arrange for the athlete to see an

appropriate person. Outside these times, there will be a nurse, physiotherapist or GP on site at the delegation accommodation (Endcliffe).

An on-call nurse is available for emergencies between 7.00pm and 8.30am and is contactable on **07377475653**.

The National 111 service also provides medical advice. Dial 111 free from any mobile or landline. If necessary, this service will offer telephone advice, refer people to local hospitals, or will visit the residential address if needed.

Please ensure all medical information is available in accordance with Special Olympics GB Procedures.

Sometimes it may be necessary to call **999** if there is a **life-threatening medical emergency**. After doing this please immediately notify the Venue Manager (if at a sports venue) or call the emergency number on the back of your accreditation pass (if at the delegation accommodation or elsewhere).

Safeguarding and Welfare

Special Olympics GB acknowledges the duty of care to safeguard and promote welfare of all our members and are committed to ensuring that safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice.

Special Olympics GB has recruited a qualified and experienced Safeguarding & Welfare team for the Games led by the Ann Craft Trust. The Safeguarding & Welfare Officers will be based at the University Campus and there will be 24 hour cover. There will also be a safeguarding and welfare volunteer based at all venues. The Safeguarding & Welfare team will be visible throughout the games and wearing bright yellow games t-shirts.

Any safeguarding or welfare related incidents or allegations during the Games must be referred to the Safeguarding & Welfare team and will be dealt with in accordance with current Special Olympics GB policies and procedures.

There is a **24 hour hotline number** for use during the Games which will go directly to the Safeguarding & Welfare team: **07957 334905** (this number will also be on the reverse of all accreditation passes).

The Games Safeguarding & Welfare Plan will be sent out to all delegations prior to the Games.

Health and Safety

At the Head Coaches meeting at the start of each day, the Head Coaches will be briefed on the hazards, precautions and safety procedures for the venue.

The Head Coach shall then brief their delegation on the venues hazards and precautions. All coaches shall ensure their delegation complies with the safety rules throughout the event obeying any instructions given to them by Games Volunteers or facility staff.

Members of the delegation must ensure that all stairs and walkways are always kept clear.

Head Coaches are reminded that during the Games, their sports squad will need to be kept healthy protected from the **sun and remain hydrated by drinking water.**

Emergency Evacuation

In the event that the fire alarm sounds:

- Facility staff will supervise the evacuation of the building
- Leave the venue in an orderly fashion through the closest fire exit as directed by the facility staff (do not take any personal belongings with you)
- Upon leaving the building, you will be directed to the relevant muster point by the facility staff
- No one is to re-enter the building until the announcement is made by the Facility Manager that it is safe to do so

Accident Reporting

All accidents and incidents, ill health and hazards must be reported to the Games Management using a [Special Olympics GB Accidents, Incidents, Ill Health or Hazards Report Form](#).

Security

There is no facility for leaving valuables at the venue however there are lockers in the changing rooms that operate with a £1.00 coin (refundable). Delegations are responsible for their own valuables and possessions at all times.

Accreditation passes must be worn at all times by all members of the delegation (except for athletes during actual competition). Access to certain areas will only be possible with the correct accreditation pass.

Photography Policy & Usage of Phones

Usage of Phones (athletes)

Although all Special Olympics delegations will encourage all athletes to phone home or contact their family during the Games, we are keen that a strict policy of athletes' mobiles being switched off is adhered to whilst in Games competition or training venues in Sheffield, as they can disrupt the sessions. Parents, family and friends should be reminded not to contact athletes by phone or text or e-mail while the athletes are at their sports venue.

Photography Policy (Delegations)

In this social media and modern world, athletes will want to take photos with their phones and upload them on various media platforms for their family and friends to see. However, there is a very strict Special Olympics GB directive on this which must be monitored and implemented.

Unintentionally, an athlete may capture the image of another athlete who, for legal and personal reasons, may not be photographed or has not given their permission to be photographed. If that image was then made public on a social media site it could have serious legal consequences for the athlete posting the photo, the supervising coach, the Special Olympics delegation and Special Olympics GB.

Athletes should of course be given the opportunity to take photos in a supervised and coach controlled environment – where there is no danger of anyone walking into a shot unintentionally. Please talk these restrictions through with your athletes prior to them leaving for Sheffield.

However, the issues remains, where we must be vigilant, that athletes may inadvertently take a photo of an athlete who has a custody order, similar serious safeguarding protection, etc. Even an athlete in these categories being accidentally photographed in the background of a picture is a potentially significant issue.

It is the responsibility of each delegation to ensure that any athletes must be indicated by the Head of Delegation and/or Head Coaches to the Venue Manager/Media Officer at the start of each day at their sports venue. Currently we are only aware of two athletes with such restrictions so please check and let Special Olympics GB know if you have any athletes within your delegation who for legal reasons cannot be photographed.

We will be registering all photo and video devices at venues this will include volunteers, families, friends and any public supporters as well as briefing and registering Games professional photographers and Games volunteer media photographers about this policy.

Restricted Areas

Restricted areas will be signposted throughout the venue. This is to allow the Venue Management Team and Games Volunteers the space needed to run the competition, and for security reasons, these areas may be restricted to delegations and Games Volunteers only. Some areas may also restrict access for delegation Coaches. No unauthorised persons may enter these areas without permission from the Competition Manager/Venue Manager. Any infraction of this rule may lead to the disqualification of the individual(s) concerned without the right of appeal.

Catering

On some days (see schedule) lunches will be eaten at the delegation accommodation site.

A packed dinner will be delivered to the venue to be collected by netball delegations between 6.45pm-7.45pm on Thursday 10 August.

Bottled drinking water will be available at the venue for delegations and Games Volunteers/Officials.

Snacks and other beverages may be purchased from the café at the venue.

Additional Information

Delegation Information

Heads of Delegation and Head Coaches are responsible for ensuring that the Competition Management Team has all of the relevant and current information regarding their sports squad entering the Games.

Families and Spectators

Catering

The existing Goals café will be open serving hot and cold food and drinks and there is a park opposite the school that is ideal for picnics.

Spectating

There will be seating on chairs. If all seats are full we ask that priority is given to spectators with family members playing in the match on court.

Other Tips

This venue is very accessible and is only a 15 minute walk from Sheffield Train Station and a 10 minute walk from the Sheffield College tram stop.

Parking

There is a car park at this venue. There are plenty of on street parking spaces within walking distance of the venue also and we ask that drivers use these spaces when the car park reaches its full capacity.

Media

Our Communications Team is delighted to confirm that numerous television crews, radio stations and media outlets – including BBC, ITV, Sky, etc. will be visiting and reporting on our athletes and the 20 sports during the Special Olympics GB National

Games and this is a great opportunity for us to continue to raise the awareness and profile of Special Olympics GB.

All media will be wearing official media accreditation, so everyone can identify them as they move around the venues and Opening Ceremony but the media will not have access to the delegation only areas such as accommodation, changing rooms or dining areas.

If any member of the media approaches you in your capacity as a delegation coach (e.g. for interviews) please feel free to talk to them. If not or should you require any guidance - please contact **Chris Hull on 07713193927** or **Elliot Forward on 07947199015**.

We have an Emergency Communication Protocol established for the Games so if there are any emergency situations, (e.g. an athlete/volunteer accident) delegation members are not authorised to talk to the media. Please refer all media issues immediately during such incidents or situations to Chris or Elliot who will be based at the Media Centre at the English Institute of Sport Sheffield or the athlete village.

Honoured Guests

Honoured Guests will be attending the Games to present awards at each venue.

Each day there will also be Honoured Guests who are in Sheffield and may go to the venue for a look around and to spectate.

Please feel free to encourage members of your delegation to introduced themselves and interact with the Honoured Guests where appropriate.

Alcohol and Tobacco

All delegations are reminded that as detailed in [Article 5 of the Special Olympics General Rules](#), **no alcohol or tobacco products** are allowed at any Special Olympics training or competition venue. In addition to this, it is Special Olympics GB policy that no member of a delegation may consume alcohol at any time while Special Olympics has 'duty of care' responsibility for Special Olympics Athletes/Unified Partners.

Insurance

Special Olympics GB always puts the safety of the participants first and will have in place all insurance required for an event of this size including but not limited to our usual £10 million public liability indemnity. The insurance coverage starts from the moment when each delegation arrives in Sheffield, and expires upon the conclusion of the Games, not including any extended period of stay arranged by the delegations themselves after the Games.
